Meet and Greet Board Applicants

Sherry O'Dell

I have been a Board member for 10 years and asking for your vote in the June election. I'm a beautician and currently working part-time at Rosemont & East Haven taking care of the residents beauty needs. I have held different positions on the Board such as President, V-President and currently the secretary. I love this community and I want to be a part of keeping the community safe.

Dino Ulestad

I've lived in the Pines for 14 years. Currently on the Board for the past 2 years. For 25 years I was a supervisor for a construction crew. I was part of the Board that helped get streetlights in for our community. I would like to stay on the Board to help make improvements in the Pines. Hope to be able to serve you for another 3 years.

## LOOSE DOGS

We cannot ask enough.....Keep your pets confined in your yard! The Pine's continues to have problems with loose dogs. If you see a loose dog, come and fill out a complaint form with the address of the home owner and the office will send out a letter as a friendly reminder 1st offence: \$100, 2nd offence: \$250, 3rd offence: \$500 and 4th offence: \$1,000 fine.

If you are a dog owner, or know someone who owns a dog, please inform then it is a violation within The Pine's and Thurston County to let dog (s) run loose outside unattended. There is a county wide leash law which applies in the Pine's. If your dog (s) is an outside dog and you let it out to relieve itself, please keep it confined in your own yard.

There are many resident's who like to go for walks and do not appreciate fending off dog (s). Nor do they like to clean up "presents" left behind by wandering dogs or owner walking their dog (s). Please consider your neighbors and Thank you for being a considerate pet owner.

## PUGET SOUND ENERGY

### Call 811 Before You Dig

Spring has sprung and you may still have plans to start construction and landscaping projects. Your friends at Puget Sound Energy want to remind you about the importance of calling 811 at least two business days prior to any digging. It is the law, and utility-owned lines are located for free.

Whether you are planning to use your employees or hire a contractor, start digging means calling 811 before each job. Outline your dig area in white paint so that the utilities will know where to mark. Even homeowners digging on their on property must call, if digging deeper than 12 inches.

Don't take a chance. Call 811 before you dig, then dig by hand within 2 feet of the markings.

Visit their Safety page to learn more about gas and electric safety, and our Business Services page for all your energy needs.

For questions, please email [businessaccountservice@pse.com](mailto:businessaccountservice@pse.com)

### PARK TRAIL

The trail from Heather to the River Park is "Use at your own risk" due to the storm damage and erosion.

### THINK ABOUT LITTERING

While we continue the battle on plastics, reports indicate that cigarette butts are the single most littered item in the world, surpassing plastics with 2 billion pounds of butts tossed aside annually.
